

## Thiocarboxylic acid

Product Group		Thiocarboxylic acid
Chemical Name		3,3'-Thiodipropionic acid
Chemical name abbreviation		TDPA
Structural formula		
Molecular formula Molecular weight		C6H10O4S 178.2
Registry information	CAS NO.	111-17-1
	ENCS	2-920
	EINECS	203-841-3
Specification		White powder Assay min 98% Iron max 10ppm Acid value min 620 Melting point 128~134°C Ethanol insoluble max 0.5%
Style of packing		20kg Craft paper bag(Polyethylene interior) 300kg Flexible Container(Polyethylene interior) 500kg Flexible Container(Polyethylene interior)
HS code		2930.9
Use		raw material for antioxidizing agent
Stock status		In-stock
