

## Thiocarboxylic acid

Product Group	Thiocarboxylic acid	
Chemical Name	3,3'-Thiodipropionic acid	
Chemical name abbreviation	TDPA	
Structural formula		
Molecular formula Molecular weight	C6H10O4S 178.2	
Registry information	ENCS	2-920
	EINECS	203-841-3
Specification	White powder Assay min 98% Iron max 10ppm Acid value min 620 Melting point 128~134°C Ethanol insoluble max 0.5%	
Style of packing	20kg Craft paper bag(Polyethylene interior) 300kg Flexible Container(Polyethylene interior) 500kg Flexible Container(Polyethylene interior)	
HS code	2930.9	
Use	raw material for antioxidizing agent	
Stock status	In-stock
